

Help Us Reach Our Fundraising Goal to Support Community Relief

*AATA National Office
November 9, 2017*

We extend our thanks to all of those individuals, chapters, and organizations who have already joined as fundraisers and donors to “Art Therapy Relief for Our Communities.” By mobilizing resources through our local chapters, we hope to fund art therapy-based services and events for children, adults, and communities impacted by these life-changing circumstances. **The campaign will continue through the end of the month, culminating on this year's Giving Tuesday, the national day of giving, on November 28, 2017.**

It's not too late to participate and help us achieve our goal!

How AATA Members can help:

- [Create a personal fundraiser page](#) today and share your story about how effective art therapy can be in supporting people who have experienced trauma or displacement. The funds that you raise will go toward the development of art therapy events aimed at relief and recovery efforts in devastated communities.

How anyone can help:

- **Give today.** Each individual fundraising page includes an option to donate; help our fundraisers achieve their goals by reviewing their pages and donating to it directly—any amount makes a big impact! Your contribution will help fund the creation and implementation of art therapy-based events in local communities impacted by disaster or tragedy.
- **Spread the word.** Rally your friends, family, and networks to support this campaign and the work of the AATA and its local chapters. Use **#ArtTherapyRelief** on social media to share your story and promote the campaign!
