

Please Continue to Support #ArtTherapyRelief for our Communities through the End of the Year!

AATA National Office
December 7, 2017

"I'm donating because I think art allows us to find beauty and strength in the moments when darkness tries to overcome light."

With your help, we've raised a total of \$1,335 to support art therapy for communities recovering from disasters. We will continue to raise funds through December 31, 2017. **This means that there's still time to [donate](#) directly or to [create a personal fundraiser](#)** to assist the AATA in the development of art therapy events for relief and recovery efforts in devastated communities.

Hear why others chose to donate to this cause:

"Proud to support my profession, the work of art therapists, and much needed art therapy services in this way."

"Art Therapy rocks!"

"Mental health issues are so common and art therapy plays such a big role in the process of healing. Thanks for making a difference Amanda and friends"
