

ASHI 44th Annual Meeting Concludes in Baltimore

In addition to five days of educational sessions, attendees experienced the Baltimore Aquarium, beautiful views at the downtown waterfront, and of course, Claude the Lab Crab.

Some fun facts about this meeting:

- Over 900 attendees
- 13 ASHI past presidents in attendance
- 105 registrants for the 5K Tulip Run and an additional 12 donations to Living Legacy of Maryland
- Attendees from 36 different countries

Thank you to the members of the Program Planning committee for designing sessions that were relevant and securing speakers that were knowledgeable. This resulted in a terrific meeting!
