

APHIA 40th Conference

Asia-Pacific Histocompatibility and Immunogenetics Association

14-16 September 2016 • Novotel Perth Langley • Western Australia

We invite you to join us at the 40th Asia-Pacific Histocompatibility and Immunogenetics Association (APHIA) Conference 2016 to be held 14-16 September 2016 in Perth, Western Australia.

This exciting, first rate quality scientific program will incorporate expert international and national speakers and will include the very latest advances and developments in the field of HLA, Immunogenetics, Transplantation Immunology, Innate Lymphocyte Biology, Tolerance and Auto-immunity.

Confirmed invited international speakers include Professor Peter Parham, Professor Frans Claas, Associate Professor Sebastiaan Heidt, Professor Marcel Tilanus and Dr Martin Maiers.

With the added advantage of being held in Perth Western Australia, home to the Margaret River wine region and some of the world's most pristine beaches and untouched landscape - destination Western Australia is an absolute must on anyone's itinerary.
