

ASHI Proficiency Testing Surveys

2019 PT Orders

The PT Lab Center began accepting 2019 PT orders on Monday, January 7th. The Lab Center link and a step-by-step guide for placing orders in the Lab Center are located on the [PT page](#) of the ASHI website. (If this is your laboratory's first year ordering ASHI PT, please use the 2019 order form located on the PT page. All other labs must place their 2019 PT order online in the Lab Center.)

PT Ordering Deadline

The deadline for placing 2019 PT orders is just around the corner (January 30th), so if your lab has not placed its 2019 PT order, please log into the [PT Lab Center](#) with your **lab's** login information to place your order.

Can't see the "Place Order" option?

PT orders must be placed using your lab's main account since personal accounts cannot access the "Place Order" option in the new PT Lab Center. If you don't know your lab's main account username and password, please contact Cheryl Hartman at chartman@ashi-hla.org. Please include the name of your lab in your email.

2018 HT2 Reports

The 2018 Summary and Performance Reports for HT-2 and HT-B27 are now available in the PT Lab Center. To access the reports, login to the [PT Lab Center](#) with your username and password, select Reports then Summary or Performance Reports for the correct survey type and year.
