2019 Surveys

The submission period for the first half of the 2019 PT year is now closed. Survey data is being reviewed and graded for the HT-1, AC-1, and EMO-1 surveys. Data for each survey will be compiled into reports in the coming weeks. Email notifications will be sent to participating laboratories once the reports and the VXM-1 article have been completed.

2019 PT Schedule

The PT Schedule for the second half of 2019 can be found on the PT page under Important Documents and Links. The next survey scheduled to ship is the HT-2 which will be shipped on Tuesday, September 3rd.
