The only limit to your impact is your imagination and commitment.

The **11th Annual Legislative Leadership Seminar** will once again provide strategies designed to **create action steps towards results**! No matter where we are with the reauthorization of ESEA, participants will hear the most up to date information. The Reauthorization of ESEA will have huge implications in the field of special education. Participants will learn how to continue in making an impact in the reauthorization process and beyond. That impact begins with making connections with your congressional delegation. Guided practice on maneuvering through the federal maze will culminate with visits to “The Hill.” Strategies and techniques learned will be valuable back home to apply at the local and state levels. MORE THAN EVER BEFORE, we need as many different states represented on our Hill visit!

**Hotel:** Hilton Alexandria Old Town  
**Dates:** July 14-17, 2013  
**Seminar Cost:**
