DU 13 AU 16 JUIN 2018

Become a 2018 CSCE Conference Partner!

The CSCE 2018 Local Organizing Committee is delighted to invite you to attend and become a Partner in the Annual Conference of the Canadian Society for Civil Engineering in Fredericton.

Becoming a Supporter of the 2018 CSCE Annual Conference has many benefits whether you are a conference partner or a trade show exhibitor. The CSCE Annual Conference offers a variety of opportunities to increase your organization's visibility with leaders in engineering research, development and innovation as well as practicing professionals. It is expected to attract 500+ decision-makers and senior managers from the private and public sectors of Canada's civil engineering industry.

The Fredericton Conference will be addressing the theme "Building Tomorrow's Society". This theme offers an opportunity to build on and celebrate civil engineering accomplishments today and into the future. In addition to the general conference, specialty conferences will focus on environmental, materials, natural disaster, structural, and transportation topics.

For more details and information on how to become a partner, please refer to the partnership package as found on the [Partnerships Page](#) of the conference website [CSCE2018](#).
