

Matters of the Heart

Free Heart Health Education Event

Matters of the Heart Phone Education Event Tuesday, February 4, 2014 • 12:15-1 p.m. CT

February is Heart Health month. To celebrate, KFMC is hosting a special phone education event for anyone interested in learning more about heart health and how to become heart smart.

KFMC invites you to hear a very personal story from Deborah Rose, retired Brigadier General in the Kansas National Guard, who suffered a heart attack while driving in 2012. You'll also hear from healthcare provider, Carol Bragdon, APRN, with Stormont-Vail HealthCare and learn about changes you can make to improve your heart health.

There is no cost to listen to this phone event. For more information, visit kfmc.org/qio and click on Providers, Physician Offices, Educational Opportunities and look for the Matters of the Heart Teleconference.

To listen to the phone event, use the information below to call in on Tuesday, February 4.

Phone number: 888-896-0862
