

Register Now to Complete an ABFM SAM Before the End of the Year – Deadline Approaching!

If you plan to attend this SAM (Self-Assessment Module) Group Learning Session on December 5, please register today. This SAM will assist you in completing the American Board of Family Medicine (ABFM) module on Hospital Medicine, as part of your maintenance of Certification (MC-FP) process. In one day, assess and review the 60 core competency questions, led by Dr. Sheryl Beard. At the end of the day, the KAFP will report attendee's successful knowledge assessment score to the ABFM. You will be responsible for completing the clinical simulation portion of the SAM individually.
