

Membership update drawing: Winner announced

Last month we launched a Membership Update via email to all of our members. Thank you to the 119 members who responded. YOU helped us by verifying and updating your membership information and saved the KAFP money on postage! Thank you!

All members who replied were put into a drawing for a \$100 VISA gift card. We are pleased to announce that the winner is: **David W. Paine, M.D., FAAFP, Hutchinson**

It's not too late to reply back with your membership information. All updates are appreciated.

Thank you.
