Bayshore Medical Personnel has been subcontracted to provide health care resources to our military/policing government clients.

We are currently looking for Physicians with an Occupational Medicine focus in the following locations: Surrey BC, Edmonton, AB, Regina SK, Newmarket ON, Ottawa ON, Pembroke ON, Montreal QC, Fredericton NB, Sydney NS, and Halifax NS.

Tasks:
- Determine the medical assessment of entitled disabilities/awards on behalf of the customer at the first level of decision, all levels of entitlement appeal and reassessment.
- Provide evidence based formal/informal medical opinion/diagnosis clarification
- Review medical information to substantiate medical leave requests and provide occupational health recommendations, including review of treatment plans, return to work capabilities, permanent or temporary limitations and restrictions.
- Review individual requests for extensions of ongoing benefits/treatment modalities and medical investigations and/or treatments that have been provided or recommended by the member's health care provider for coverage under the customer’s program.
- May perform Medical Examinations and report findings to Head Office to establish the medical assessment for benefits under the Table of Disabilities and Entitlement Eligibility Guidelines.
- Other associated tasks relevant to this occupational group.

Advantages:
- No overhead costs or clinic fees
- Generous allotment of time for each patient
- Enjoy a great work/life balance with flexible working hours between the hours of 7am and 5pm Monday to Friday.

Mandatory Qualifications:
- Currently licensed for independent practice and in good standing with the College of Physicians and Surgeons of the province in which they will be practicing;
- Five (5) years clinical experience in the examination and management of patients experiencing:
  o musculoskeletal conditions
  o mental health conditions
  o chronic pain
  o substance related and addictive disorders
  o complex/multiple medical conditions (operational health issues)
- One (1) year of experience working with an Electronic Health Record or Microsoft Office or equivalent information system.

Interested candidates can apply directly to Laura Tromp at ltromp@bayshore.ca
