

MTO offering DCP curriculum web-conference info session, June 30

In January, MTO provided several regional information sessions regarding the Driver Certification Program curriculum submissions. There were some signing authorities that could not attend these sessions either due to location or dates/time. MTO has announced they are offering a second short presentation on **June 30 from 2:00 – 3:00 p.m.** regarding the Driver Certification Program curriculum submissions for those who were unable to attend a previous session.

This is not a mandatory meeting, only an information web conference meeting. Web conference and teleconference instructions are included below. There is no registration required.
