By the end of 2015, over 1,500 participants from the school bus, public transit and motor coach industries across Canada, the U.S. and abroad will have attended the P.R.I.D.E. program since its inception in 1990. Twenty-five years of operation is a wonderful testament to the program's **longstanding benefits:**

- Certification for "Signing Authority" with the Ontario Ministry of Transportation in order to upgrade and renew drivers' licences on your own premises (if passing grade achieved and all other MTO requirements are met).
- Unique 50/50 dual learning environment both in-classroom and in-vehicle/on-road.
- Valuable in-vehicle information on "HOW" to properly teach daily inspections, defensive driving, right and left turns, night driving and more!
- Superior facilitation skills including climate setting, guided questioning, active listening, and giving positive feedback both in the classroom and in-vehicle.
- Indispensable techniques for classroom instruction including the effective use of audio visual equipment, non-lecture format, learning objectives and lesson plans.

If you have any in-house training requirements, workshops or other training needs, please contact us to discuss how the P.R.I.D.E. Program can assist you.
