

## Coach Operator Program at OMCA Fall Conference Promises Great Value for Money!

The OMCA Conference & Marketplace in Ottawa is just two weeks away - November 8-12, 2014. Get the latest information on key industry topics that affect your operations today and discover new tools to help elevate your business. Reconnect with old friends and colleagues in the industry and expand your professional network. For just **\$450**, the Coach Operator program provides two days of valuable educational sessions and networking opportunities. [Click here for the coach operator program and conference details.](#)

Our coach operator business session lineup includes important topics such as:

- Knowing your obligations when it comes to requests for service from persons with disabilities (Transport Canada)
- Guarding against undervaluing your services in response to competitive forces
- Changes affecting the Truck and Coach Technician sector (Ontario College of Trades)
- HR rules impacting federally regulated carriers – including overtime averaging (Labour Canada)
- Seven ways to grow your business in challenging times
- How the International Registration Program (IRP) will soon impact charter bus operators (MTO)

Plus, coach operators can enjoy the Sunday evening **Travel Showcase** Reception; the ever popular and enjoyable **Ice Breaker** event on Sunday evening; Monday afternoon's **Coach Operator Social** sponsored by Wajax; Monday evening's reception and **Awards Dinner**, the **Silent Auction**; Breakfasts (3 days); and the all-delegate luncheons on Monday, Tuesday and Wednesday. Hope to see you there!
