**The P.R.I.D.E. Program** is an approved course provider to deliver the Ontario Ministry of Transportation Driver Certification Program (DCP) Recertification program. This course is only one day of classroom training plus pre-course study/preparation work. It focuses on recertifying Signing Authorities (SA's) on the principles and techniques of effective adult education in a commercial vehicle driver trainer context. It also provides a refresher regarding the roles and responsibilities of a Recognized Authority, Recognized Authority Official, Signing Authority-Trainer, Signing Authority-Examiner, road test route configurations, marking road tests and an overview of DCP and the Signing Authority Examiner Code of Ethics. Recertification is valid for a period of five years.

Participants from a variety of industries (fire, school bus, public transit, motor coach) who attended 2016 programs provided the following accolades:

- "Keep doing what you are doing; P.R.I.D.E. is the "benchmark of excellence!"
- "Very informative; beneficial to be able to come together with others that are Signing Authorities and get new ideas and how to do new things."
- "Excellent! Content, pace was very good. I cannot see anything to improve this course."
- "Well facilitated, constructive atmosphere, lots to learn as a trainer."

P.R.I.D.E. Programs are held at the [Admiral Inn Burlington](#). Registration is on a first-come, first-served basis. Contact for further information – [info@osba.on.ca](mailto:info@osba.on.ca)
