

Society of Plastics Engineers

ANTEC[®] MUMBAI

Renaissance Mumbai Convention Centre Hotel

December 6-7, 2012

Mumbai, India

Deadline for Paper Submission Has Been Extended!

The deadline for submitting papers for ANTEC Mumbai has been extended to September 14, 2012. You are invited to submit a paper in any of the following areas:

Advances in Materials:

Polymers in Medical Devices, Bioplastics, Composites, Aerospace, Automotive

Advances in Processing:

Extrusion, Injection Moulding, Blow Moulding, Thermoforming, Calendering, Rotational Moulding

Advances in Materials Performance:

Design Innovation, Engineering Properties and Structure, Polymer Modifiers and Additives, Polymer Composites, Failure Analysis, Polymer Blends, Recycling

Advances in Machinery:

Design of Screws, Barrels, Mixing Equipment, Down-Stream Equipment, Hydraulic, All-Electric,

Control System, Robotics, Other Plastics Processing Machines

Advances in Rheology, Modeling and Simulation:

Flow behavior of polymers, Rheological Models, Analysis of Modeling of Processes, Theoretical Models and Co-Relations

Abstract/Paper* Submission Deadline: September 14, 2012 – 5:00 pm U.S. Eastern Time

*If you do not wish to be published, you may submit an abstract only and forgo submitting a paper

NOTE: Previously presented/published papers are eligible for submission

Technical paper presentation styles: Podium or Poster

Online submission site: <http://antec-mumbai2012.abstractcentral.com>
