A key component of the Legislative Symposium is a guided education in the “how-to’s” of lobbying. Our sessions will familiarize you with the organizational structure of Congressional offices, committees and staff. You will be coached on presentation techniques specifically tailored for the political environment. Newcomers will know what to expect and what to do when they arrive on Capitol Hill for appointments on day two. Everyone will return home from Washington with first-hand knowledge of the political system in action and confidence knowing you can make a difference.
