

Reminder to Participate in the Grants and Research Committee's Survey

By Grace Gephardt, President

Dear ASPE Member,

The ASPE Grants and Research Committee is conducting a survey and needs your feedback! In order to move our profession forward, we need to know the breadth and depth of the work of SP Educators.

By completing the survey, you will add to and expand upon what we know about our day-to-day work. The information gathered will serve several purposes:

- Inform ASPE leadership on how to better respond to the needs of our members.
- Contribute to knowledge about our profession that can be shared with others.

To participate, please click here: <https://survey.uvm.edu/index.php/982136/lang-en> or cut and paste the URL into your browser.

For technical issues please contact Alison Howe: alison.k.howe@med.uvm.edu. For all other inquiries, please contact Cate Nicholas: cate.nicholas@med.uvm.edu

Thank you for your time and for sharing your input.

*To bring high quality reporting of current research, trends, techniques and information regarding SP methodology and other relevant industry articles to the attention of the membership through the web-based, bi-monthly newsletter, **ASPE eNews**.*
