

ASPE Members Presenting at International Meeting for Simulation in Healthcare
Membership Committee

Dear ASPE Members,

With the International Meeting for Simulation in Healthcare (IMSH) fast approaching, we are pleased to announce the following ASPE member presentations at the conference. The ASPE members announced below are those that responded to our solicitation e-mail in November of 2014 and do not represent an exhaustive list of ASPE members presenting this year or a complete list of authorship. To see the complete IMSH agenda, go to:
