

LAWRENCE S. BLOOMBERG FACULTY OF NURSING PRESENTS

OPTIMIZING A HIGH-RISK CHILD'S POTENTIAL:

RESEARCHERS AND PARENTS WORKING TOGETHER

FEATURED SPEAKERS:

Professor Margo Pritchard, RN, RM, NNC, BA, PhD
Frances Bloomberg International
Distinguished Visiting Professor

Aliza Karoly, B.A., LL.B.
Family-Centred Care Advisory Council (FCCAC),
SickKids

Join Bloomberg Nursing for a discussion on the impact prematurity can have on child development, the resources parents can employ to monitor their child's progress and whether improved outcomes can be achieved with innovative partnerships between parents and researchers.

Date: September 21, 2015

Time: 5:30pm–6pm (Reception)

6pm–7pm (Lecture Event and Q&A session)

Location: MaRS Auditorium (See details below)

Cost: FREE

Please RSVP to kendra.hunter@utoronto.ca
