

KHIN to provide MU2 attestation certificates

By KHIN

KHIN, in conjunction with KDHE, will begin sending [MU2 Certificates of Accomplishment](#) to its members who meet the MU2 requirements through KHIN. The certificates can be used for purposes of a Meaningful Use Audit. The certificates will be verified and signed by both KHIN and KDHE. Please contact the KHIN office to request a certificate if you have not received one and feel you meet the requirements. 877.520.5448.

Certificates will include the following types:

1. Certification of Exchange with another EHR product for KHIN members sending CCDAs to KHIN or via DIRECT to another EHR.
2. Certification of Use of myHealth eRecord modular PHR (Personal Health Record) product for View Download and Transfer (VDT) in conjunction with reports of patient utilization.
3. Certification of Data Testing/Transport to Public Health Registries (this will also require KDHE verification)
 - Immunizations
 - Syndromic Surveillance
 - Electronic Lab Reporting
 - Cancer Registry
 - Infectious Disease Registry
