

Success stories wanted for National Rural Health Day

If you are a rural community, please submit your community success story for **National Rural Health Day** at http://celebratepowerofrural.org/?page_id=28. "Celebrating the Power of Rural" is the theme of National Rural Health Day on November 21st. Have questions about what constitutes a "success story?" Be sure to check out the **Community Success Story "Tip Sheet"** and view posted stories at http://celebratepowerofrural.org/?page_id=37 There is also a good **Resources** section of the website to help you out.

National Rural Health day would like to hear about your local plans to celebrate. Please be sure to contact National Rural Health at billh@nosorh.org From hospital open houses and dental/medical screenings, to rural health conferences and awards ceremonies, to provider appreciation events and activities, plans are being made from coast to coast! Let them know what Kansas has in the works!

Bookmark the **National Rural Health Day website** as a resource and additional information and materials designed to help your celebration be even more successful.
