

## 2020 SCAPTA Annual Conference Member Meeting Information

This year the SCAPTA Board of Directors has elected to host the member meeting virtually considering the environment and concern regarding the spread of the COVID-19 pandemic. We have elected to host the meeting live, but virtually. We will also be recording the meeting for review later by members that are not able to attend. Members are encouraged to attend by joining the Zoom Meeting online at: <https://zoom.us/j/357409820?pwd=cHNENFVUHBobk9VM2w3a2ZzK3B4QT09>

There are a few options to join us:

- 1) On your computer by clicking the link above (please make sure to enter your first and last name)
- 2) By using the Zoom App (found in the Apple iTunes and Google Play Stores. Please be sure to enter your first and last name)
- 3) Call in using either of the numbers provided above

We have capacity for 100 participants on this platform. While we acknowledge that we have well over that number of potential members, we are testing this new frontier and appreciate your patience. We do not have bylaws to vote on this year, so most of the content will be information dissemination. We will be requesting feedback during the meeting and have the following options to do so:

- 1) In the Zoom meeting – you can raise your hand. We will be monitoring this and will call on you to unmute your line to verbally ask the question
- 2) The Zoom meeting platform has a chat function. We will be monitoring and responding as appropriate in the chat, or verbally for everyone to hear the question and response.
- 3) If you call in, you will not be able to raise your hand or chat. Please text your question to our incoming President: Kristen Mason at 864-608-0434.
- 4) If you are listening to the meeting after it has been completed, email [info@scapta.org](mailto:info@scapta.org).

Whichever method you use, please identify yourself with your first and last name so we can properly identify you and follow up if needed.

The agenda will be posted online at [www.scapta.org](http://www.scapta.org) on the home page along with the 2019 membership meeting minutes. We thank you for your active participation and look forward to exploring this exciting new opportunity to meet our members where they are!

Thank you,

Aaron E. Embry, PT, DPT, MSCR (PhD Candidate) – President  
on behalf of the SCAPTA Board of Directors
