APTA South Carolina is excited to announce a unique opportunity to connect directly with your APTA South Carolina Delegates!

On Tuesday, July 13, 2021 at 7:00 p.m., APTA South Carolina invites members to join us in a hour of interaction, dialogue, and information. This unique event will allow all those in attendance to find out more about the House of Delegates

This interaction will be led by Dr. Amber Gadow, APTA South Carolina Chief Delegate to learn about what national issues will be discussed at this year's House of Delegates. Bring your own ideas about potential ways that the APTA South Carolina delegation can support your ideas and thoughts about how to change national policy and move our profession forward!
