Friday, November 12: 1:00PM - 5:00PM

Saturday, November 13 8:00AM -5:00PM

Sunday, November 14th 8:00AM - 1:30PM

2.4 Hours of CEU's/ 10 hours completed online prior to attending the 2-day
14 hour course on Trigger Point Dry Needling

MUSC College of Health Professions

Room B 213, Address: 151 B. Rutledge Ave., Charleston, SC 29425

Course Faculty: Gretchen Seif, PT, DPT, OCS, FAAOMPT

Jason St. Clair, PT, DPT, OCS, FAAOMPT

This online and laboratory course will enhance the ability of clinicians to examine and evaluate patients with myofascial pain and dysfunction utilizing integrated orthopedic manual therapy approached and evidence-based practice principles. The laboratory will emphasize the physical examination and intervention techniques with the use of trigger point dry needling for specific muscles covered in the course.
